THURSDAY, AUGUST 18.

It is generally considered the "big day"—Thursday is—and it was more than realized to-day. On foot, on horseback, in buggies, carriages and wagons, the crowds began to arrive in the city. Train load after train load added to the vast throng, until it was estimated that 10,000 visitors had arrived in the city. The programme was an excellent one, faithfully carried out, and everybody seemed satisfied.

THIRD DAY CONCLUDED.

The racing of yesterday evening

was the finest and most exciting ever seen on a western race course. The following is the result of the two year old trotting race for a \$1,000 purse, two best in three to harness:

Maxie B b s John Brittenfield Wichita, Kansas..... 1 1
Capt. Walbridge b c George C Pitzer St. Louis..... 2 2
Daisy N ch f McCormick L. S. Co. Bowling Green, Mo..... 3 4
Time—2:40; 2:34 3-4.

The \$2,000 pacing race furnished a thrilling sensation in an accident that endangered the lives of two men and the probable crippling of two valuable horses. Fortunately the incident was attended with no serious results.

Walnut Boy, a horse owned in Windsor, was the favorite in the race and his hundreds of friends had watched him win two heats of the race and were delighted with his performance. The horses were scoring for the third heat when the accident occurred. Ed Maddox, behind Clear Grit, was trying to squeeze into his place when his sulky collided with Comus. In the twinkling of an eye Clear Grit's sulky was overturned and Maddox was thrown to the ground. A cry of warning went up to the drivers in front. Sam Fuller, who was behind Walnut Boy, looked back and saw his danger. He pulled the favorite up close to the fence to give Clear Grit a chance to pass but that headstrong animal kept on in his course without swerving and plunged into Walnut Boy's sulky. One of his forelegs caught in the wheels and the light vehicle was partially wrecked. Fuller went to the ground with the breaking of the wheel and he fell directly in front of Clear Grit, who jumped clear over the dismounted driver, but in doing so hit Sam in several places with his hoofs. Clear Grit was stopped but Walnut Boy with his head turned loose and a wrecked sulky attached to his harness ran at full speed around the track.

The excitement in the grand stand was intense. Hundreds of men ran across the track to where Fuller was lying wounded. The first to reach him assisted the driver inside the paddock fence, and a physician who was on the ground went to Fuller's assistance. While all this was going on Walnut Boy was tearing around the track with pieces of the sulky hanging to him. Scores of men tried to head him off, but he did not stay his pace until he reached the scoring ground and ran into the entrance of the cooling shed.

Fuller was not seriously injured. Pacing race, 2:30 class, for \$2,000, three best in five to harness:

DEMOCRATIC CLUBS.

The Work of Organization Goes Bravely on.

The democrats of Pettis county are aroused to the necessity and importance of organization, and last Saturday night organized flourishing clubs at several points in the county.

AT GEORGETOWN.

Hon W. D. Steele of this city was present and assisted in forming a club of fifty or more enthusiastic democrats, with James Hopkins as president; Marsh, vice president; J. B. James, secretary and James Castle treasurer. Committees were also appointed in the interest of the meeting of August 30, and 100 men on horse back will be here from that vicinity.

AT LAMONTE.

There was an enthusiastic meeting and committees appointed to boom the rally of the 30th. G. W. Crawford was chosen president and L. N. Luther secretary. The democrats of that vicinity will be here in large numbers.

AT HOUSTONIA.

The spirit of democracy asserted itself last Saturday night at the little village of Houstonia, some twenty miles from Sedalia. John Cashman and Elder Marvin addressed the citizens eighty of whom thrilled with enthusiasm, signed the roll and elected the following officers. T. C. Hayman, president, John Charles, first vice president, Perry Williams, second vice president, Joseph Williams secretary and treasury. The club will visit Sedalia on the 30th of August eighty strong accompanied by the Houstonia band.

We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottles free at Mertz & Hale's Drug Store. Large size 50c and \$1.

TALL TIMBER.

There is Likely to Be a Famine in the Local Provision Market—A Jealous Mayor.

The giants is here. Large enough to eat cordwood. She arrived and was headed into Jones' restaurant for her breakfast. Jones secured a step-ladder and went up to see what the old girl wanted for breakfast. He took her order and a dray was sent to the butcher shop for steak. A grocery wagon drove up loaded to the guards with potatoes, eggs, onions, cabbages. And limburger cheese. Jones says her breath don't smell had because the cheese is chloroformed before being eaten. Col. Henry D. Hill came in and took a position standing on the counter and she scroched to listen while he shouted at the top of his voice, "How do you come on?" Her first meal in Sedalia was a success.

She got enough after staying at the table three hours, and the pretty waiter girl is hoarse and is compelled to talk to her best fellow in a whisper. The giants inquired for Jno. R. Gentry and wanted to learn if he was "spoken for." She devoted more attention to Col. Hill than she did to Mayor Stevens, and the mayor is jealous. She is from Australia and says she left there after the Australian ballot reached Missouri.

The woman is eight feet two and three-fourths inches high and two townships to hear from.

A FIGHT BETWEEN GIANTS.

Both desperate, both determined! The king of medicines in contest with the king of maladies! Dr. Pierce's Golden Medical Discovery against "Consumption!" It is not the struggle of a day, but the first blows are the fatal blows! In its early stages, consumption (which is lung-scrofula) will yield to this great remedy! This has been proven beyond a doubt by innumerable successes! Acting directly upon the blood, its scope includes all scrofulous affections, liver and lung diseases. As a blood-purifier and vitalizer, it stands unequalled.

Charles E. Yeater, the democratic nominee will have a walk-away as the majority in 1884 was about 1,000 and in 1890 about 2,400.

A MOTHER'S MISTAKE.

No mothers frequently make a mistake in neglecting the cough of a child. A Fort Wayne, Ind., lady writes: My little daughter, 6 years old, had a severe cough, but as it was nothing unusual, I thought nothing of it, and allowed it to run on for four or five weeks, when it became so obstinate she began losing flesh. I called in a physician who treated her three weeks without benefit. A neighbor insisted on my trying Ballard's Horchound Syrup; it relieved her from the first dose and she began gaining flesh rapidly, when she had used two bottles her cough had entirely disappeared. I would not be without it. It does not constipate my children. Ballard's Horchound Syrup is free from opiates. It is the most soothing Throat and Lung medicine in the world. Price, 50c and \$1.00. For sale by Overstreet, the Druggist.

A RUNAWAY ARRESTED.

About a month ago, Eddie Pickett, a young man, disappeared from his home No. 2311 Clark Avenue, St. Louis. His case was reported at the Four Courts in that city and a general hunt instituted but without avail. Last night a couple of gentlemen of St. Louis, were at the Union depot, and as the Lexington branch train pulled in, noticed young Pickett seated in a car. The authorities here were notified and the prodigal arrested, awaiting an answer from St. Louis.

Young Pickett had been engaged in a foundry at St. Louis and after working there a month or so, decided that a change of climate might be beneficial. Upon due consideration of the fact, he fled to parts unknown. No trace could be found until he was seen and recognized at the depot last night. He stated that he had been working on a farm near Sweet Springs.

Peak and Weeble.

A friend of mine had an odd way of mixing her words. Perfectly unconscious of it, she would often make folks laugh. She would speak of feeling "peak and weeble" for weak and feeble, and "cease or ill poils for castor oil pills. But she was weak and feeble until she took that powerful, invigorating tonic, Favorite Prescription, which so wonderfully imparts strength to the whole system, and to the womb and its appendages in particular. For over-worked women, run-down women and feeble women generally. Dr. Pierce's Favorite Prescription is unequalled. It is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing nervous symptoms, commonly attendant upon functional and organic disease. It induces refreshing sleep and relieves mental anxiety and dispondency.

DEATH OF AN AGED LADY.

Ann C. Menefee, aged 86 years, died at the residence of her son, John Menefee, 802 West Broadway, at 11:30 o'clock this morning. Mrs. Menefee was born March 9th, 1806, in Scott county, Kentucky. She leaves only three children now living, John Menefee, George Menefee and Mrs. Charles Frisoe. Arrangements for the funeral have not yet been perfected.
